

Working for Deakin's Future

The objectives of the DRA are:

To enhance the residential, suburban, social and environmental qualities of Deakin, consistent with garden city planning principles.

To stimulate discussion on community planning and land management as it impacts on Deakin residents.

JOIN the DRA *It's FREE!*

Membership of DRA is open to the holders of a residential lease in Deakin, members of the household of a Deakin leaseholder, or a non-leaseholder who has resided in Deakin for 10 years and continues to reside in Deakin .

Garden City Movement

Canberra's inner suburbs were set out when planners of the new Australian Capital sought to establish an aesthetic of balance, light and space that evoked a desirable lifestyle. DRA is keen to maintain this goal.

DRA members can raise concerns about development proposals and other issues with the Committee.

DRA is also keen to be proactive on topics such as vehicle speeds and numbers, cycle routes, urban gardens, internet services, tree health, parking on nature strips, pedestrian safety and others you may suggest. We need active membership to be effective.

Issues of Concern

The DRA takes up matters of concern with the ACT Government and the National Capital Authority. We provide submissions to Government enquiries and makes representations to the ACT and Federal government agencies. The DRA also provides responses to development proposals.

Recent activities in 2018 have included:

Survey of resident views on light rail stage 2 (June 2018)

Submission and appearance before Joint House Committee

Revised bus routes (July 2018)

Housing choices (submission May 2018)

Red Hill Reserve Integrated Plan

Proposed development at the Federal Golf Course

Proposed development of the Kent St Telstra site, Deakin

Proposed development of the art gallery site on Grey Street

Proposed development of the St Luke's site

Proposed redevelopment of Curtin Shops

Parking and traffic regulation around the Deakin shops

Traffic and speed restrictions through Deakin

Proposed development of La Trobe Park by the Girls' Grammar School

Deteriorating state of Melbourne Ave

NCA's Draft Amendment for the Deakin/Forrest residential precinct;

Parking in west Deakin

Pedestrian safety issues around Deakin shops

Support for MyWay card outlet in Deakin

Inner South Canberra Community Council

The DRA is a member of the Inner South Canberra Community Council. The ISCCC was formed in 2010 to provide a unified and strong voice for the residents of Inner South Canberra.
